NEW GAME CHANGING STIHL ALLPRO

GREATER PRO POWER AND PERFORMANCE

Specially engineered for the needs of professionals, the new STIHL ALLPRO Battery System delivers unprecedented pro power, performance and efficiency. Capable of charging to 80% capacity in just 9 minutes[1] with up to 3,000 charge cycles,[3] you'll have efficient, reliable power for years to come.

Fully compatible with new and existing ALLPRO and AP tools, smash the workday with next level power you can rely on day in, day out.

WHAT THE PROS ARE SAYING

"In a team of four we use about ten batteries in a working day. With the power station and the fast charger we can charge six on the go. We don't have to take a carload of charged batteries with us in the morning – all in all, it reduces the total cost of ownership."
