IT'S SERVICE SEASON

GET YOUR JOHN DEERE MOTOR GRADER INSPECTED TODAY!

Keeping your motor grader in top condition is essential for safety, precision, and protecting your investment.

Regular inspections help identify wear early, maintain grading accuracy, reduce unexpected downtime, and keep your machine performing at its peak.

A well-maintained grader means more uptime, better productivity, and greater confidence on every job.

15%*

SPEND $750 AND SAVE

*Offer valid on qualifying Inspect & Repair inspections, machine servicing and associated repairs for John Deere Motor Graders, where all work is completed and invoiced between 1 November 2026 and 30 April 2027 at participating John Deere dealers. Receive 15% off qualifying replacement parts (includes OEM, Reman, and Alternative Parts) to be applied to the total cost excluding GST. $750 minimum replacement parts purchase is required per Motor Grader. No labour or travel discounts included. Some restrictions may apply - contact us for details.
